AUTHORS GUIDELINES

Eligibility

Abstract submissions are open to healthcare professionals, researchers, academicians, residents, fellows, and students with an interest in maternal, fetal, reproductive, and perinatal medicine.

Scientific Categories

Authors should submit their abstracts under one of the following categories:

- Maternal-Fetal Medicine
- Obstetrics and Gynecology
- Reproductive Medicine
- Perinatal Medicine
- Fetal Diagnosis and Therapy
- Ultrasound in Obstetrics and Gynecology
- Maternal Health and Public Health
- Basic and Translational Research
- Medical Education
- Other Related Topics

Format

Abstracts must be written in English and structured as follows:

- Original Research : Background, Methods, Results, Conclusion
- Case Reports : Introduction, Case Presentation, Discussion, Conclusion

Word Limit

- Maximum 250 words (title excluded from the word count)
- No tables, figures, or references permitted
- Use standard abbreviations only

Title

- Maximum 25 words
- Use sentence case
- Avoid abbreviations in the title

AUTHORS GUIDELINES

Authors and Affiliations

- List all authors in submission order
- The presenting author must be clearly identified
- Include institutional affiliations and country for all authors

Submission Process

- Abstracts must be submitted electronically through the official submission portal
- Multiple submissions are permitted

Publication

Accepted abstracts will be published in the official **Abstract Book and Conference Proceedings** of the IAPM Annual Scientific Meeting 2026.

Important Dates

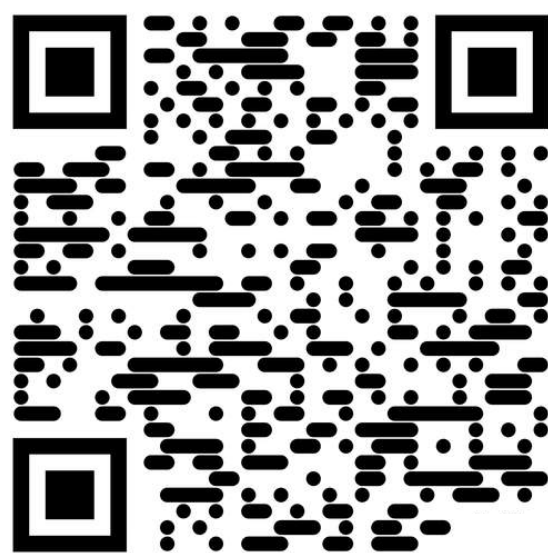

Abstract Submission Deadline: **20 September 2026**

Full Paper Submission

Authors whose abstracts are accepted are encouraged to submit their full papers for consideration. Full papers should be submitted electronically to:

Email: freepaper@iapm2026bali.com
